# THE MAIN FOYER

# THE PLACE TO BE

Every day before classes, and especially at noon, the main foyer is full to overflowing with students "hanging out" in groups of all sizes. At times, one can wonder if more noise generates from the foyer than the cafeteria!

Basically it is the same friends, sitting on the same bench, but each day it is different. There's talk of who broke up with who, who's going where with who, and where the party is the coming weekend. On these two pages we've tried to capture in pictures some of you that spend that gloriously free hour in chattering clusters.

But one thing that always stays the same is the laughter, and good times spent with your friends every day in the foyer.

# A LITTLE

# ELFIN' MAGIC

Bringing goodwill to all . . .

On Friday, December 20th, North Lambton had the privilege of being visited by none other than Santa's elves.

The Marketing classes decided to raise a little extra money this year for their marketing field trip. For about a week our busy little friends worked hard, promoting their product by little jingles on the morning announcements, and taking orders from those, who, in the Christmas spirit, bought stockings filled with assorted goods such as Hershey's Kisses, candy canes and chocolates, for their loved ones. These were carefully handcrafted by the ambitious souls of the marketing classes, and later turned out to be exceptionally popular.

On the last Thursday of school before the Christmas break, the marketing elves delivered each and every stocking to the homerooms of each recipient. Their effort and time was greatly appreciated, as well as the great (and delicious) gifts.

# CLASS OF '86 AIRBANDS . . . EVENT OF THE YEAR

Above - Michelle Vanderheyden and John Munroe took first place as the Eurythmics.

On November 14th, 1985, the Class of '86 held a very unique sort of event. Students proved their lip synching, dancing, and "air-instrument" playing in the first Airband Competition ever held at North Lambton. The response was overwhelming. There were 16 bands in total, and each was received enthusiastically by the crowd.

The three overall winners were selected carefully by three celebrity judges from local radio stations. Capturing third place was Kevin Murray, Bert Vandenbygaart, and Lee Grimshaw doing "Sharp Dressed Man" with their imitation of ZZ Top. (picture not available). Cobie Crawford and Marina Verhoeven did their rendition of "Jailhouse Rock" by the Blues Brothers and received second place for their routine. Michelle Vanderheyden and John Munroe honourably received a first place finish as Michelle lip synched to "Would I Lie to You?" and John backed her up on guitar as the Eurythmics. Finally, the booby prize was awarded to a well deserved group of girls and Janice Courtney as David Lee Roth with their rendition of "California Girls". The teaching staff even went all out on the occasion, and decided to do a country and western routine for the crowd's amusement, as well as to show off their entertaining talents.

The whole event was a tremendous success, and was received extremely well by the student body - those in the audience as well as those participating. The Battle of the Airbands was an experience for the students that will be well remembered.

Cobie Crawford and Marina Verhoeven came in second with their rendition of the Blues Brothers.

Left - The booby prize was graciously awarded to Janice Courtney and "the gang". Above - The crowd loved it.

The Battle of the Airbands - students get together to battle it out in November '85's Airband contest held by the Class of '86

The Airband Competition was one of many events held by the Class of '86. They provided some good times for the student body in 1985-86. As well as the airband contest, there was the very successful Class of '86 Fashion Show . . .

Best Wishes to the Class of '86 - DR. RUTH SPIEKER

Many things go on at noon at NLSS - there's intramurals, for example. But for most, the time is passed eating, and then sharing in the latest news circulating around the school. And at almost all tables, there is at least one card game in progress. Can you tell by Anita's grin who is winning?

## PRINCIPAL'S MESSAGE

The school year 1985-86 has been a successful and memorable one.

As a staff member I am proud of the academic accomplishments of our students. A good number of them were successful in winning educational achievement awards and scholarships.

The staff advisors and student leaders continue to offer an excellent extra-curricular program that provides a very worthwhile contribution to the quality of school life.

The teams that represented North Lambton in the various competitions were a source of pride to the community. Some teams received championship trophies for their efforts but all were winners for the sportsmanship displayed on the playing field.

On behalf of the staff and students many thanks to Teresa Stefanik, Marina Verhoeven and Mr. Jensen for an excellent yearbook.

The last boys volleyball team to earn a shot at the provincial title was the team of 1962. This year our Senior Boys got more than a shot at it - they came home with it.

It was a long year of hard work and perseverance. They played 126 games all season, winning 86. Not bad for a team plagued with 5 sprained ankles during the season. Coach Mrs. Illman said that this was a definite factor in the loss to Northern at LSSAA. At OFSAA, they lost only one game in the round robin competition. The semi-final round against Ridgetown was a piece of cake, but the finals were altogether different. They lost the first game to North Addington: 5-15. The Eagles soared, however, in the final two games, winning both: 15-11; 15-12, and captured the OFSAA '85 championship.

**CONGRATULATIONS GUYS!!!**

A couple of  
yearbook  
groupies.

First of all, we would like to say that this year has not been easy. We hope that the hard work has paid off in the end. There are many people to thank; Mr. Jensen, for his helping hand; our faithful staff, for putting up with the five common editorial phrases throughout the year: "Yes"; "No"; "I want it done NOW!"; "Do it over"; "Never mind, I'll do it myself." This was part of our regular vocabulary. To the secretaries, for patiently putting up with incidents such as lost keys, and last but not least, to our loyal "yearbook groupies", who vehemently showed their support by never showing us a dull time in our secluded hideaway known as the Yearbook Room.

Through all the hard, demanding work, and the pressures of deadlines to be met, we've learned a lot, producing a yearbook from scratch, and it is an experience neither of us will forget. Teresa Stefanik and Marina Verhoeven

## PILOT'S CLUB

STANDING L TO R Brad Edlington, Alex Bisset, Tracey Rombouts, Dave Daley. SEATED: Julie Houlbrook and Cobie Crawford.

Yes, this is a real club. Well, kind of a club. It began when a few guys, bored on their second semester, period 3 spare, decided to go fly a few planes . . . paper planes, that is. Honorary members were accepted, and for the rest of the semester, every so often, you could witness the members of this club in the most taboo places for activities such as flying airplanes, like the library and the main foyer. Will the Pilot's Club continue?

We'll tell you next year.

This year, the Class of '86 was more active than the classes of the past few years. The events they organized were very successful, and enjoyed by all. In November, an Air Band Contest was held, and attended by 3/4 of the student body. A Fashion Show was held in April, the models being graduating students, was quite successful as well. And, of course, there was the prom, always well attended, with Hooples for entertainment and dancing.

Hats off to the Class of '86, especially their hardworking executive, lead by President Kelly Douglas, and staff advisor Mrs. Clemens, for a year of fun and good times, and supplying school spirit to NLSS!!

# PRESIDENT'S MESSAGE

Yet another school year has come to an end, leaving us with many fond memories to cherish forever. I hope this yearbook will help everyone recapture these memories in the years to come.

I would like to take this opportunity to wish the returning staff and students a very successful and exciting year in 86/87. To all those going to further education or those willing to take their chances in the working world, best of luck in everything you do.

I wish to extend my personal thanks to my executive our staff advisors and all members of the Student's Affairs Council for their hard work and dedication.

I would also like to thank my friends, old and new, for being who and what they are. Everyone of them has made my five years at North Lambton most enjoyable.

Best Wishes Always  
Sincerely  
Lisa Johnson

Karina Suarez

This year, our exchange student was Karina Suarez, from Ecuador. She was an active member of the Class of '86, and was one of the models in the Class of '86 Fashion Show. She left many friends behind when she returned home after the Spring Prom, and took with her many fond memories of our school and our community.

Good Luck in the future, Karina!!

## THE WEEK BEFORE CHRISTMAS

(the NLSS way)

'Twas the week before Christmas at NLSS,  
And the school sure was busy (well, wouldn't you guess?!)  
The Hockey Club's posters were hung up with care,  
"The tournament's Friday -- you gonna be there?"  
The students and teachers were racing about;  
"Am I sure I sent all of those Christmas cards out?"  
Those poor secretaries, just in from the cold;  
"I've another call waiting. One moment -- please hold."  
Mr. Proctor had lectured on cross-pollination  
To a class all too anxious for Christmas vacation.  
Mr. Griffiths attempted a poetry reading,  
Which none of his seniors appeared to be heeding.  
Mrs. Allan was teaching subtraction of powers,  
But her scholars were counting: "It's just four more hours!"  
Mr. Chesman, explaining the second dimension,  
But most of his students weren't paying attention.  
When lunch rolled around, they all surged to the caf,  
They ate, drank, played cards, and enjoyed a good laugh.  
There were elves running 'round, dressed in green and in red,  
They might have been nuts, "But it's Christmas," we said.  
The afternoon classes were mostly the same,  
But a lot of the teachers caught on to the game.  
When classes were finished, we exchanged joyous looks,  
We ran to our lockers, and dropped all our books;  
But I heard them exclaim, without sorrow or tear,  
"Have a safe, happy Christmas, and we'll see you next year."

## THE PROBLEM WITH STUDYING

I'm trying to study  
And I'm trying quite a lot  
I'm starting to get a stomach ache  
My head feels really hot

Nouns, adjectives and verbs  
What is going on?!  
All I want to know is  
Why it's taking so long?

Diameter, triameter, pentameter  
Now what's that supposed to be?  
Do teachers do this on purpose?  
Look what they're doing to me.

My head is spinning all around  
And my toes are getting numb  
I don't know about you,  
But I think this stuff is dumb.

Setting, theme, crisis -  
**I CAN'T TAKE THIS ANYMORE!**  
The reason I can't handle this is  
Because it's such a bore.

### EAGLEFLIGHT

The ancient zephyr's stinging breeze,  
Blowing through the evening light,  
The eyrie of a bird of prey  
Rests in the crag of mountain's height.  
A rustling there, and in the haze,  
A wingtip stirs, a flash of gold.  
The eagle rises, wild and proud,  
The natural splendour praised of old.  
Above the cloud tops' pastel hues,  
He flies with strength of form and grace,  
His wings are spread o'er land and sea,  
His arms outstretched in Heaven's face.  
His haunting form, ethereal, grey,  
His life is simple, free from pain,  
His head is crowned with evening's rays;  
The horizon bounds his vast domain.  
A silhouette against the sky,  
The essence of life, its very scope,  
This gossamer being, light as air,  
Envisioning man's every hope.  
And then, as sudden, grazed the air,  
A bullet's form, and then the roar;  
The eagle's form, now soaked with blood,  
Sinks to the ground,  
and is no more . . .

## FRIENDSHIP IS ALL

Friendship is a bond  
of understanding.  
Full of giggles  
laughter

Friendship is a link  
of togetherness.  
Full of being

and smiling.

Friendship is two people  
growing together

believing.

Believing in each other  
Sharing with each other  
Being with each other

Friendship is a bond

Friendship is a link

# SPORTS FEVER

Sports fever ran rapid this year at NLSS. Our soccer teams placed the highest ever, and the Sr. Boys team was voted the "team to watch"! The Cross Country Ski Team and the Indoor Soccer Club began, and were quite successful. The Senior Boys Volleyball team went all the way this year, and captured the provincial title (pg. 52), and all the rest of the teams did well, as usual.

Track and field, badminton, hockey, cross country, wrestling, curling . . . our athletic teams are a source of pride in our school and our community.

Opposite page . . . Wes quenches his thirst after a rough game against the LCCVI Lancers . . . Bill Welten gives his all into the kick . . . getting ready to go skiing around the grounds . . . we can't tell if Ruth Whitely is hurt or laughing . . . strong competition from a strong Lancers squad . . . this page . . . we almost forgot -- INTRAMURALS!! Jason was seen in the gym quite often during this, one of the most popular, intramural . . . Marty Meadows is seen marking distances for discus . . . action on the soccer field . . . the skiers are at it again . . . Cathy Brenner readies herself for the next serve . . . off they go!!!
